About Us

The Indigenous Chamber of Commerce (ICC) is a unique organization, with a unique, and growing membership. The businesses and organizations that belong to the ICC are Indigenously owned businesses, companies that work within the Indigenous community, or organizations that provide support or services to our community.

As the “Voice of Indigenous Business in Manitoba”, the ICC represents these businesses to ensure that they have an opportunity to play a significant and relevant role in the economic development of this Province.

We have a proud list of members who are impacting business and business decisions in this province. We have also built a strong list of partners in the business community, who support our mandate and who make a genuine effort to work directly with our members.

Our Tournament

The ICC is excited to share with you information regarding the 2024 Neebing Golf Tournament sponsorship package.

The 2024 Neebing (meaning summer in Ojibwe) Golf Tournament is the second tournament to be held by the Indigenous Chamber of Commerce since 2019, after a brief hiatus due to the COVID 19 pandemic. It was wonderful to see everyone again at the 2023 tournament and we can't wait to get back into the "swing" of things!

The Neebing Golf Tournament is a celebration of the Indigenous business communities successes and triumphs. The tournament encourages networking among Indigenous and Non-Indigenous businesses throughout a day filled with friendly competition, followed by a sit down dinner to cap off the evening.
